AMENDED PROTOCOL II

Form A

Dissemination of information

Article 13, paragraph 4 (a)

“The High Contracting Parties shall provide annual reports to the Depositary on:

(a) dissemination of information on this Protocol to their armed forces and to the civilian population;”

Remark: N/A

High Contracting Party:

GERMANY

Reporting for time period

from: 01/01/2018 to: 31/12/2018

INFORMATION TO THE ARMED FORCES:

(i) All soldiers of the Federal Armed Forces concerned with the subject receive instruction in international law including the rules set by Amended Protocol II. This training is conducted in the military units by superiors and legal advisers and at the Federal Armed Forces Schools and Academies by law scholars. Military manuals and orders concerning training and instruction in this respect are continuously updated.

(ii) Via Joint Service Regulation A-2141/1 “International Humanitarian Law in Armed Conflicts – Manual” Version 3 of 20/02/2018, the contents and provisions of Amended Protocol II are disseminated and implemented. This Manual summarizes the provisions on international humanitarian law and presents them as a regulation to be observed by all military personnel. It also serves as a foundation for initial and extension training of military personnel in the field of international law. Moreover, the Joint Service Regulation A-2141/1 covers the latest developments in the law of armed conflict.

INFORMATION TO THE CIVILIAN POPULATION:

(iii) The content and the date of the entry into force of the Convention and its annexed Protocols are published in the Federal Law Gazette (Bundesgesetzblatt) which contains the complete legislation of the federal government of the Federal Republic of Germany.

(iv) The Federal Foreign Office, the Federal Ministry of Defense, and the German Red Cross publish the bilingual (English and German) omnibus publication “Documents on International Humanitarian Law | Dokumente zum humanitären Völkerrecht” (3rd edition 2016; ISBN 978-3-89665-710-7). This publication includes, inter alia, the texts of Protocol II as well as of Amended Protocol II in German and English language.

CONVENTION ON CERTAIN CONVENTIONAL WEAPONS
Form B | Mine clearance and rehabilitation programmes

| Article 13, paragraph 4 (b) | “The High Contracting Parties shall provide annual reports to the Depositary on (b) mine clearance and rehabilitation programmes;” |

High Contracting Party: GERMANY

Reporting for time period from: 01/01/2018 to: 31/12/2018

MINE CLEARANCE PROGRAMMES: not applicable

REHABILITATION PROGRAMMES: not applicable
Form C  Technical requirements and relevant information

Article 13, paragraph 4 (c) “The High Contracting Parties shall provide annual reports to the Depositary on:

(c) steps taken to meet technical requirements of this Protocol and any other relevant information pertaining thereto;”

Remark:

High Contracting Party: GERMANY

Reporting for time period from: 01/01/2018 to: 31/12/2018

TECHNICAL REQUIREMENTS:

In the acquisition and procurement of weaponry covered by Amended Protocol II, Germany, by virtue of Article 36 of the 1977 Additional Protocol I to the 1949 Geneva Conventions, is continuously determining whether its employment would be permissible under, or in conformity with, Amended Protocol II or any other applicable rule of international law. This determination is made by the Steering Group “Review of New Weapons and Methods of Warfare”, a standing committee within the German Federal Ministry of Defense. The Steering group is under the responsibility of the International and Operational Law Branch in the Directorate-General for Legal Affairs. German Federal Armed Forces have published Joint Service Regulation A-2146/1 as of 13/06/2016 which defines the obligations, responsibilities and methods of the above mentioned determination.

INTERNATIONAL TECHNICAL INFORMATION EXCHANGE:

- Financial support for the work of the Geneva International Centre for Humanitarian Demining (GICHD).
- The German Federal Armed Forces are active contributors to and users of the Explosive Ordnance Disposal Information System (EOD-IS) Database lead by Sweden.

INTERNATIONAL COOPERATION ON MINE CLEARANCE:

- Financial support to the International Trust Fund (ITF), Bosnia and Herzegovina
- Financial support and secondment of a landmine expert of the German Federal Armed Forces to the GICHD to assist in the development of modern, adequate mine clearance processes
- Financial support for mine clearance, capacity building and training programmes carried out by NGOs
- Delivery of 50 mine detectors to the State Emergency Service of Ukraine (SESU)
- Financial support to the OSCE and to the NATO Support and Procurement Agency
- Under the umbrella of the European Training Mission Mali (EUTM) the German Federal Armed Forces trained military engineers of Mali’s Armed Forces, including in aspects of mine clearance, explosive ordnance disposal and Counter-IED.
- In the framework of the mission “Resolute Support”, the German Federal Armed Forces supported efforts to train the Afghan National Army on the performance of C-IED measures.
- The German training contingent North Iraq participated in C-IED awareness training as part of the infantry training of the Peshmerga.
