As you will recall, the 2017 Meeting of States Parties to the Biological Weapons Convention decided that, in 2018, 2019 and 2020, States Parties will meet every year for five Meetings of Experts and a Meeting of States Parties. As announced in the letter from the Implementation Support Unit dated 23 January 2018, the Meetings of Experts in 2018 will meet as follows:

- 7-8 August 2018: MX1 - Cooperation and Assistance, with a Particular Focus on
Strengthening Cooperation and Assistance under Article X
9-10 August 2018: MX2 - Review of Developments in the Field of Science and
Technology Related to the Convention
13 August 2018: MX3 - Strengthening National Implementation
14-15 August 2018: MX4 - Assistance, Response and Preparedness
16 August 2018: MX5 - Institutional Strengthening of the Convention

As also agreed by the 2017 Meeting of States Parties, MX 1 and MX2 will be chaired by a representative of the Group of the Non-Aligned Movement and Other States, MX3 and MX4 will be chaired by a representative of the Western Group and MX5 will be chaired by a representative of the Eastern European Group.

In this regard, the Coordinator of the Group of the Non-Aligned Movement and Other States, the delegation of the Bolivarian Republic of Venezuela, has informed the Implementation Support Unit that the Group has nominated the Deputy Permanent Representative of the Philippines, **Ambassador Maria Teresa T. Almojuela**, as Chairperson of MX1 in 2018.

If you have any objection to the appointment of Ambassador Maria Teresa T. Almojuela as Chairperson of MX1, please inform me in writing by **Wednesday 21 February 2018**. If no State Party has objected by this date, I will notify all States Parties that the appointment is officially confirmed with effect from Thursday 22 February 2018.

We look forward to receiving nominations for the Chairs of the other Meetings of Experts in 2018 as soon as possible.

Please accept, Excellency, the assurances of my highest consideration.
