**Major General**

Form J: **Other relevant matters**

Remark: States Parties may use this form to report voluntarily on other relevant matters, including matters pertaining to compliance and implementation not covered by the formal reporting requirements contained in Article 7. States Parties are encouraged to use this form to report on activities undertaken with respect to Article 6, and in particular to report on assistance provided for the care and rehabilitation, and social and economic reintegration, of mine victims.

State [Party]: NIGERIA reporting for time period from 1 JAN 2004 to 31 MARCH 2005

[Narrative / reference to other reports]

1. The Nigerian Army Engineers have completed the clearance of the contaminated areas affected by the LAGOS Ammunition Transit Dump explosion of 2002 in December 2004.
2. There was an explosion of unserviceable ammunition at the ammunition depot in KADUNA, in February 2005. No casualty was recorded. Full investigation is still being carried out.
