PREAMBLE

India supports the UN vision of *‘a world free of the threat of landmines and unexploded ordnance where individuals and communities live in a safe environment conducive to development, and where mine survivors are fully integrated into their societies’.*

It is towards achieving this end-state that India had ratified the Amended Protocol II and has adopted and implemented all measures necessary and more, to adhere to the provisions contained therein.

During the current year India has continued to undertake and implement numerous measures towards fulfilling our obligations towards the Amended Protocol II.
