El Salvador

Interpretative Declaration:

“Regarding Article 10 of this Convention, the Government of the Republic of El Salvador considers that the contents of paragraph 1 of this Article do not imply any recognition of or mandatory subjection of any dispute to the jurisdiction of the International Court of Justice, but instead the purely discretionary power of each State party to submit to such a jurisdiction if it should so agree, given that the Republic of El Salvador does not recognize the jurisdiction of the International Court of Justice.”
