FORM A: Dissemination of information

Paragraph 5 of the Decision on Compliance:

"The High Contracting Parties will provide information [...] on:

(a) Dissemination of information on the Convention and its annexed Protocols to their armed forces and to the civilian population;"

High Contracting Party: ITALY

Reporting period: from 01/01/2012 [dd/mm/yyyy] to 31/12/2012 [dd/mm/yyyy]

☑ additional information of dissemination of information on CCW Amended Protocol II to armed forces and civilian population is contained in the National Annual Report provided in accordance with paragraph 4(a) of Article 13 of Amended Protocol II for the year: 2012

☐ additional information on dissemination of information on CCW Protocol V is contained in the National Report provided pursuant to paragraph 2 (b) of Article 10 of Protocol V for the year: 2012

Information to the armed forces, including the extent to which the CCW and its Protocols are part of military manuals and the training curriculum of its armed forces:
The appropriate doctrine, all operational and training publications have been revised in order to incorporate the requirements arising from the CCW and its Protocols. The contents and the provisions of these documents have been periodically disseminated focusing on the Armed Forces. In the Italian Army all documents are distributed to the regiment/battalion level through an Information Note including the one concerning the CCW and its Protocols in training programmes. All military units operating on land - particularly abroad - are constantly and duly instructed.

Information to the civilian population, including information on any programs, courses or documentation to disseminate the CCW to non-military audiences:
A National Committee for Mine Action was informally established in February 1999 bringing together all interested actors (both on the governmental and the non-governmental side) and promoting their close cooperation concerning policy and operative standards. The National Committee elaborated general guidelines for the Italian mine action in the framework of the Italian international cooperation. The last committee's meeting took place on December 17, 2010.

NGO and civil society representatives are regularly involved in the decisional process focused on defining projects and areas to be financed through the "Fund for Humanitarian Demining", established by Law no. 58/2001. According to the same Law, a specific report describing activities financed through the Fund is presented to the Italian Parliament once a year.

Regular information on the Italian policy concerning mine action is provided in written form to the Parliament every six months, according to law no. 374/1997 (which introduced in Italy the total ban on anti-personnel landmines).
