☒ additional information of measures taken on international technical information exchange, on international cooperation on mine clearance, and on technical cooperation and assistance is contained in the National Annual Report provided in accordance with paragraph 4(c) of Article 13 of Amended Protocol II for the year: 2010

☒ additional information on measures taken on international technical cooperation and assistance is contained in the National Report provided pursuant to paragraph 2 (b) of Article 10 of Protocol V for the year: 2010

International technical co-operation, including relevant experiences in seeking or providing technical assistance and cooperation:

Through the role of President of the Fourth Conference of the High Contracting Parties to Protocol V, Australia has sought to facilitate and provide technical assistance and cooperation on explosive remnants of war to States Parties. International cooperation on mine clearance, and mine action in general, is a priority in Australia's $100 million Mine Action Strategy for the Australia's Aid Program 2010-14. Further detail is provided in Australia's National Annual Reports for Amended Protocol II and Protocol V.

International technical assistance:

Technical capacity building is a component in most mine clearing projects which Australia supports. Along with support to global mine action, Australian funding assisted the development of technical capacities of national clearance authorities in Afghanistan, Cambodia, Egypt, Ethiopia, Iraq, Jordan, Laos, Lebanon and Sri Lanka. Further detail is provided in Australia's National Annual Reports for Amended Protocol II and Protocol V.
