High Contracting Party: AUSTRIA

Reporting for time period from: 01 01 2014 to 31 12 2014
[dd/mm/yyyy] [dd/mm/yyyy]

Steps taken to implement the provisions of Article 7 and Article 8:

Austria does not seek assistance with respect to existing ERW.
The Austrian Armed Forces (AAF) act in a wide field of co-operation with other national and international organizations (governmental, including other Armed Forces, and non-governmental), to provide assistance in reducing the number of Explosive Remands of War (ERW) and attend or conduct trainings, exercises and courses.
On demand or upon request the AAF can provide a minimum of one Explosive Ordnance Disposal Platoon (EOD Platoon) ready to be deployed for missions abroad on a sixty day early warning base (high readiness). Additionally the AAF can assist with highly trained Instructors for Mine Risk and Mine Awareness Trainings nation- and worldwide.

Any other relevant information:

The Austrian Armed Forces (AAF) are very well experienced in providing Mine Risk Education (MRE) and other similar training programs, countering the threat of Explosive Remands of War (ERW), for civilians and/or local organizations in post conflict scenarios.

Since January 2008, Austrian national law has banned the production, transfer and use of cluster munitions. Furthermore, Austria is a party to the Convention on Cluster Munitions, which entered into force on 1 August 2010, introducing a comprehensive ban of cluster munitions for the States parties to the convention. Following the ratification of the Convention on Cluster Munitions, Austria had all stocks of relevant ammunition destroyed by November 2010. Any further reporting on this subject will be performed within the applicable scheme.
