Information to the armed forces

Information regarding the commitments and obligations set forth in the Convention on Certain Weapons was issued to the armed forces by letter on the 22nd of July 1996. During training all military personnel are informed that Denmark, in accordance with the CCW, no longer uses anti personnel mines or booby-traps. All personnel – military as well as civilians - participating in observer missions, humanitarian, peacekeeping, and other operations, etc. have prior to their deployment, completed relevant mine awareness training.

Information to the civilian population

Information is disseminated i.a. by news media and NGOs.
Form B

Mine clearance and rehabilitation programmes

Article 13, paragraph 4 (b) “The High Contracting Parties shall provide annual reports to the Depositary ... on:

(b) mine clearance and rehabilitation programmes;”
