Dissemination of information

Article 13 / 4 / a

“The High Contracting Parties shall provide annual reports to the Depository ... on:

a) dissemination of information on this Protocol to their armed forces and to the civilian population;”

High Contracting Party

ITALY

reporting for
time period from

01.01.2007

to

01.11.2007

Information to the Armed Forces Italy confirms that the content and the provisions of Protocol II have been disseminated periodically and in a targeted way to the Armed Forces. In the Army, the Protocol has been distributed to the level of regiment/battalion through an informative Note, and by including this information in training programmes. All military units operating on the ground and - especially out of area - have been duly instructed.
