FORM D: Technical cooperation and assistance

Paragraph 5 of the Decision on Compliance:

“The High Contracting Parties will provide information [...] on:

(d) Measures taken on technical co-operation and assistance;”

High Contracting Party: JAPAN

Reporting period: from 1/04/2012 to 31/03/2013

☑ additional information of measures taken on international technical information exchange, on international cooperation on mine clearance, and on technical cooperation and assistance is contained in the National Annual Report provided in accordance with paragraph 4(c) of Article 13 of Amended Protocol II for the year: April 1st 2012 - March 31st 2013

☐ additional information on measures taken on international technical cooperation and assistance is contained in the National Report provided pursuant to paragraph 2(b) of Article 10 of Protocol V for the year: [ ]

International technical co-operation, including relevant experiences in seeking or providing technical assistance and cooperation:

Japan has been providing substantial assistance in mine/ERW action including demining, clearance, victim assistance and mine risk education through international organizations, domestic and international NGOs or on a bilateral basis.

International technical assistance:

Japan International Cooperation Agency has been facilitating south-south cooperation between mine/ERW affected countries.

Any other relevant information:

See the attached Annex form E provided for the National Annual Report for Amended Protocol II for Japan’s cooperation and assistance for mine clearance for the period from April 1, 2012 to March 31, 2013.
