| **Law on the Ratification of the Convention on Cluster Munitions**
16 December 2010, No XI-1239
Under Article 2 of the Law, Lithuania declared that it will apply provisionally Article 1 of the Convention pending its entry into force.
The instrument of ratification deposited with the UN Secretary General: 24 March 2011.
Convention for Lithuania entered into force on 01 September 2011. |
| **Criminal Code of the Republic of Lithuania**
26 September 2000, No VIII-1968
Text in Lithuanian: http://www3.lrs.lt/pls/inter3/dokpaieska.showdoc_1?p_id=388527
A person who, in violation of treaties to which the Republic of Lithuania is party or universally accepted international practices regarding means of warfare or methods of warfare, orders the use of or uses in hostilities prohibited means of warfare or methods of warfare shall be punished by imprisonment for a term of three up to ten years.

Article 199. Smuggling
2. A person who, without going through the customs control or otherwise avoiding it or without an authorisation, transports across the state border of the Republic of Lithuania firearms, ammunition, explosives, explosive, radioactive materials or other strategic goods, toxic, highly active, narcotic or psychotropic substances or precursors of narcotic or psychotropic substances shall be punished by imprisonment for a term of three up to ten years.

Article 253. Unauthorised Possession of Firearms, Ammunition, Explosives or Explosive Materials
1. A person who, without an authorisation, acquires, stores, carries, transports or handles a firearm, ammunition,
explosives or explosive materials shall be punished by arrest or by imprisonment for a term of up to five years.

2. A person who, without an authorisation, produces, acquires, stores, carries, transports or handles at least three firearms, the ammunition, explosives or explosive materials of a large explosive power or in a large quantity shall be punished by imprisonment for a term of four up to eight years.

**Article 253(1). Unauthorised Intermediation in the Transfer of Military Equipment**

1. A person who, without an authorisation, acts as an intermediary in transferring military equipment to a state non-Member State of the European Union shall be punished by deprivation of the right to be employed in a certain position or to engage in a certain type of activities or by a fine or by arrest or by imprisonment for a term of up to three years.

2. A legal entity shall also be held liable for an act provided for in this Article.

**Article 257(1). Production of Installations for the Production of Explosive Materials, Explosives or Radioactive Materials or Development or Distribution of Production Technologies or Specifications Thereof**

1. A person who unlawfully produces, stores, transports, transfers or handles machinery or other installations directly intended or adapted for the production of explosive materials, explosives or radioactive materials or unlawfully develops or distributes technologies or specifications of the production of explosive materials, explosives or radioactive materials shall be punished by a fine or by arrest or by imprisonment for a term of up to four years.

2. A legal entity shall also be held liable for the acts provided for in this Article.
Form I  National resources and international cooperation and assistance

Article 7, paragraph 1

“Each State Party shall report to the Secretary-General ... on:

(m) The amount of national resources, including financial, material or in kind, allocated to the implementation of articles 3, 4 and 5 of this Convention; and

(n) The amounts, types and destinations of international cooperation and assistance provided under article 6 of this Convention.

State: REPUBLIC OF LITHUANIA

Reporting for time period from 1 January to 31 December 2011

1. National resources allocated

As there are no stockpiles of cluster munitions or cluster munitions contaminated areas, there is no need to allocate specific resources for implementation of articles 3 and 4.

In case there is a need to provide assistance to cluster munitions victims, the resources would be allocated via the public healthcare system.
