**FORM A:** Steps taken to implement Article 3 of the Protocol: Clearance, removal or destruction of explosive remnants of war

---

High Contracting Party: The Kingdom of Norway

---

Reporting for time period from: 1 January 2013 to 31 December 2013  
[dd/mm/yyyy] [dd/mm/yyyy]

---

**Steps taken to implement the provisions of Article 3:**

Explosive Remnants of War pose no threat to national Norwegian territory, and our country as such at this time controls no territory that is affected with the exception of the former Hjerking Shooting Range where a limited number of unexploded munitions remain after test shooting. Efforts are ongoing to clear the area which will be turned into a national park. Clearance of cluster munitions was completed in late 2013, and the remaining area is expected to be cleared of all remnants by 2020.

Norwegian armed forces in international operations are trained to the standards set forth in Protocol V and will abide by the regulations in Article 3, paragraphs 2, 3, 4 and 5, and Norway as a potential user will provide technical, financial, material and human resources when feasible.
