**Form I      Measures to provide warning to the population**

Article 7.1      "Each State Party shall report to the Secretary-General ... on:

- i) The measures taken to provide an immediate and effective warning to the population in relation to all areas identified under paragraph 2 of Article 5."

*Remark:* In accordance with Article 5, para.2: "Each State Party shall make every effort to identify all areas under its jurisdiction or control in which anti-personnel mines are known or suspected to be emplaced and shall ensure as soon as possible that all anti-personnel mines in mined areas under its jurisdiction or control are perimeter-marked, monitored and protected by fencing or other means, to ensure the effective exclusion of civilians, until all anti-personnel mines contained therein have been destroyed. The marking shall at least be to the standards set out in the Protocol on Prohibitions or Restrictions on the Use of Mines, Booby-Traps and Other Devices, as amended on 3 May 1996, annexed to the Convention on Prohibitions or Restrictions on the Use of Certain Conventional Weapons Which May Be Deemed to Be Excessively Injurious or to Have Indiscriminate Effects".

State [Party]: GERMANY reporting for time period from 01/01/2013 to 31/12/2013

The prohibition of access to the former military training area of Wittstock, containing unexploded ordnance and suspected to contain anti-personnel mines (the latter has not been substantiated in sample area clearance in 2013 (see Form C)), is regulated in "Ordnungsbehördliche Verordnung des Landkreises Ostprignitz-Ruppin zur Beschränkung des Betretens auf dem ehemaligen Truppenübungsplatz Wittstock" (*i. e.* in an official directive of the responsible regulatory and supervisory authority on constraining access to the former military training area Wittstock) set into force on 1 July 2011. The area is completely perimeter marked.

**Form J Other relevant matters**

Remark: States Parties may use this form to report voluntarily on other relevant matters, including matters pertaining to compliance and implementation not covered by the formal reporting requirements contained in Article 7. States Parties are encouraged to use this form to report on activities undertaken with respect to Article 6, and in particular to report on assistance provided for the care and rehabilitation, and social and economic reintegration, of mine victims.
