**FORM F: Steps taken to implement Article 8 of the Protocol: Co-operation and assistance**

High Contracting Party: POLAND

Reporting for time period from: 01/01/2014 to 31/12/2014  
[dd/mm/yyyy] [dd/mm/yyyy]

**Steps taken to implement the provisions of Article 8:**

In 2014 the Polish Ministry of Foreign Affairs continued its support in the area of development cooperation to Laos providing assistance in ERW and mine-affected areas. A total of 17.550,00 USD was donated to support education efforts - community awareness - within the scope of UXO National Program (UXO Lao).

At the reporting period Poland contributed to the alleviation of humanitarian problem caused by landmines, unexploded ordnance (UXO) and other explosive remnants of war. Particularly, the Polish Engineering Forces personnel being engaged in stabilizing missions in Afghanistan and Mali, executed tasks for the benefit of local populations - additionally to their mandatory tasks. These activities among others included: removal and destruction of mines, UXO and other explosive remnants of war (in cases of emergency), as well as providing warning and risk education to the local communities.

At total of 48 Polish deminers were directly involved in demining and clearing activities in missions abroad. They identified and destroyed the following amounts of dangerous items:

- Under the auspices of EU — EUTM Mali:
  - 16 pcs of artillery and mortar munitions;
  - 14 pcs of hand and anti-tank grenades;
  - 4 pcs of unexploded ordnance;
  - 41 pcs of various types of munitions.
- Under the auspices of NATO — ISAF Afghanistan:
  - 2 pcs of air bombs;
  - 501 pcs of artillery and mortar munitions;
  - 946 pcs of hand and anti-tank grenades;
  - 17 909 pcs of various types of munitions;
  - 44 pcs of elements of EOD;
  - 1 456 kg of explosives.

The Polish Engineering Forces personnel have not organized any training specifically directed to local population, but CIMIC (Civil – Military Cooperation) teams, MAT and PAT (Military and Police Advisory Teams) executing their mandatory tasks permanently conducted awareness training for the local population on the ERW threat.

The total cost of the above mentioned activities has been estimated to be about 105 000 Euro.
