Article 7.1 "Each State Party shall report to the Secretary-General ... on:

(m) The amount of national resources, including financial, material or in kind, allocated to the implementation of Articles 3, 4 and 5 of this Convention; and

(n) The amounts, types and destinations of international cooperation and assistance provided under Article 6 of this Convention.

State [Party]: **United Kingdom** reporting for time period from **1 April 2012** to **31 March 2013**

1. National resources allocated

Activity	Sector (stockpile destruction, clearance, risk education, victim assistance, advocacy)	Amount of national resources (list currency)	Type of resources (e.g. financial, material, in kind)
Universalisation of the Convention	Diplomatic influence	N/A	Influence through the range of diplomatic channels.

2. International cooperation and assistance provided.

The UK funds “mine action” programmes that collectively cover the clearance of cluster munitions, landmines and other ERW. The data below reflects this and provides information on mine action as it is not possible to separate out the costs spent on cluster munitions removal from UK funded projects.

Destination	Sector (stockpile destruction, clearance, risk education, victim assistance, advocacy)	Amount (list currency)	Type of cooperation or assistance (financial, material or in kind)	Details (including date allocated, intermediary destinations such as trust funds, project details, timeframes)
Afghanistan	Mine Action	GBP 1,451,255	Financial	April 2012 – March 2013
