## AMENDED PROTOCOL II

### **INTERNATIONAL TECHNICAL INFORMATION EXCHANGE:**

**The Swedish EOD and Demining Center (SWEDEC) is a Swedish Centre of Excellence within EOD and mine clearance within the Swedish Armed Forces (SAF). Among other things, SWEDEC is responsible for participating actively in international efforts and information exchange.**

**The Swedish Rescue Services Agency (SRSA), the SAF through SWEDEC and the Swedish Defence Research Agency (FOI) are actively supporting GICHD directly or indirectly in many activities.**

**The Swedish Armed Forces is responsible for the participation in international efforts, including information exchange, as i.a. in the Balkan and the Baltic States.**

**At the international level the work at the intersessional standing committees in the framework of the Ottawa Convention is highly valued.**

**Sweden participated in the International Test and Evaluation Program, ITEP, through SAF and the SRSA. Furthermore, Sweden is involved in the work on standardizing mine action conducted by the EU (CEN), WEU and NATO through Partnership for Peace.**

**At the Nordic level there are networks between the Defence Research Establishments. Sweden also participates in the activities of the Nordic Demining Research Forum, NDRF.**

**In co-operation with GICHD Sweden has developed a hand-held survey tool for the UN information-system IMSMA which is based on the Swedish information system EOD IS. As an interface, maXML, has been developed for communication between IMSMA and EOD IS. Partner countries using EOD IS are also sharing information through a special network. Additional information on these matters can be found at [www.swedec.mil.se](http://www.swedec.mil.se) and [www.eodis.org](http://www.eodis.org).**

**Sweden has developed a lesson-learned process for EOD, based on NATO standard and a computerized technical tool for support of the process.**

### **INTERNATIONAL COOPERATION ON MINE CLEARANCE:**

**Swedish contributions to mine action, including mine clearance as one integrated part, are mainly decided and channelled through the Swedish International Development Cooperation Agency (Sida). In addition to this, some contributions to mine action are being provided by the Ministry for Foreign Affairs (MoFA) and the MSB, the Swedish Civil Contingencies Agency (former Swedish Rescue Services Agency). The MSB receives financial support from Sida for its work within mine action.**

**Below is a list of contributions to countries/regions and to international organisations with active disbursements January 2009-January 2010. The annual contributions to mine action from Sida's appropriation has during the last years been in the range of approximately 100 MSEK per fiscal year.**
